

Activity 11: Post-test

Share What You've Learned

Describe a lesson taught by one of your fellow students. Include such details as their teaching style, materials used, and topic choice. What did you learn from this lesson?

Identify three differences between the American school system and the school system in your home country. Consider the following: time spent in class, time spent on homework, interaction with teacher, attitudes toward the teacher, and the school environment.

Fill in the blank:

1. In order to _____ in the class, you must fill out the application form.
2. Teachers work from a _____ to organize their class time.
3. Students who cannot afford tuition may apply for _____.
4. Teachers and parents have a _____ together to talk about student performance.
5. Before taking the class English 201, you have to take English 101. It is a _____.
6. To receive a diploma, students must have the required number of _____.
