

Activity 13: Post-test

Sharing What You've Learned

1. Identify the body parts in image to the right.

2. Give an example of what you would say when you call the doctor's office if you are not feeling well. Be specific and mention symptoms of your illness.

3. Cross out the word that doesn't belong in each group of four words.

- | | | | | |
|----|-----------------------|----------------|-------------|---------------|
| a. | insurance information | family history | allergies | abdomen |
| b. | cancer | dizziness | fever | headache |
| c. | gauze | inpatient | Ace bandage | rubber gloves |
| d. | heart attack | overdose | common cold | seizure |

4. Complete the following dialogue with a 911 operator. Imagine that you are the caller and you think that your husband is having a heart attack.

Operator: *911. What is your emergency?*

Caller: _____

Operator: *What's going on?*

Caller: _____

Operator: *How old is he? Does he have a history of heart problems?*

Caller: _____

Operator: *An ambulance should be there soon. Stay on the line.*
